II.2.4) Description of the procurement

The current Energy Efficiency Standard in Social Housing 2 (EESSH2) framework is due to expire in November 2025. The Scotland Energy Efficiency Framework will be procured in 2025 to replace this framework.

It is anticipated that the future framework will be divided into lots, depending on the outcome of market engagement.

PfH wishes to engage with suitably experienced and qualified suppliers in order to support the development of the strategy for the replacement framework. Engagement with SMEs will be particularly welcomed, as well as with larger established companies.

Interested suppliers should contact the Planned Works Team at: Plannedworks@pfh.co.uk

Market engagement will be conducted through a variety of channels which may include but not be limited to one to one telephone or video calls, face to face meetings or wider supplier engagement sessions.
