## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Negotiated without a prior call for competition

- No tenders or no suitable tenders/requests to participate in response to open procedure

Explanation:

An initial open (light touch) tender process resulted in 1 bid, which was not suitable.

Given that the council received no suitable tenders, we commenced a negotiated process with the incumbent bidder to arrange delivery of the service, whilst the council reviews the commissioning strategy and needs of children with complex SEND. The council relies on regulation 32 of the Public Contracts Regulations 2015, having run a failed open tender process.

Ensuring continuity of service for a number of disabled children with multiple impairments and complex needs, including health and behavioural needs, is our priority as decommissioning of the current service would result in children requiring additional, high cost interventions, potentially out of the local authority area.
