Works

II.1.4) Short description

This notice is listed by LHC on behalf of the Scottish Procurement Alliance (SPA)

LHC / SPA is seeking interest from suitable organisations for our WD2 Windows and Doors (PVC-U and Timber Products) Framework.

LHC / SPA is tendering a replacement framework for the currently successful T4 (Timber windows and doors) and U10 (PVC-U windows and doors) agreements for the supply and installation of high quality windows and external doorsets suitable for use in public sector housing and non-housing buildings throughout England, Wales and Scotland.

This framework is for designed for manufacturers of PVC-U and timber window and door products, who can offer both a design, manufacture and supply only and a complete design, manufacture, supply and installation service.

Installation services can be provided either through directly employed teams or via supply chain members assessed and approved by the bidder, however regardless of the installation approach clients calling off from this contract will contract with the bidders appointed to this framework to provide a full supply and installation service.

The framework is to be tendered under 3 workstreams:

Lot 1 - Manufacture, Supply and Installation of PVC-U Windows and Doors

Lot 2 - Manufacture, Supply and Installation of Timber Windows and Doors

Lot 3 - Manufacture, Supply and Installation of Aluminium Clad Timber Windows

This opportunity is a national framework listed by LHC on behalf of:

LHC

Scottish Procurement Alliance (SPA)

Consortium Procurement Construction (CPC)

Welsh Procurement Alliance (WPA)

South West Procurement Alliance (SWPA)

Each lot is broken down into sub-regional areas
