This modification is made under the provision of the following Contract Clause:

"In the event that (a) prior to the end of the Contract Period, the Trust commences a procurement exercise for the provision of the Services and (b) that:-

- i. the said procurement is not completed in full or in part prior to the end of the Contract

Period due to delay or abandonment; or

ii. no contract (s) can be awarded prior to the end of the Contract Period as only irregular or unacceptable tenders were received in response to the said procurement; or

iii. no contract (s) can be awarded prior to the end of the Contract Period as no suitable tenders were received in response to the said procurement; or

iv. no contract (s) can be awarded prior to the end of the Contract Period as the said procurement is the subject of a legal challenge preventing the award of the contract(s),

the Client reserves the right to extend the Contract for up to three further periods, each of 6 months, to facilitate a further procurement competition, or to make alternative arrangements for the provision of the Supplies/Service. Any such extension pursuant to this clause shall be subject to the same terms and conditions of Contract and the same price arrangements as applied immediately prior to the end of the Contract Period. The value of any extension(s) will be based on historic and/or projected usage over the period of the extension."
