II.2.4) Description of the procurement

NEPO are using an Open procedure for the procurement of this framework agreement. The opportunity can be accessed via the NEPO eTendering system.

The Framework Agreement is divided into 10 individual lots. Five of the Framework lots cover the petrol requirements of the Framework agreement, with the other five lots including the requirements of Diesel, Gasoil, Kerosene, Adblue and HVO. Eight of these lots consider a specific Sub-Region in the North East, while the final two lots consider national Framework usage.

NEPO intend to award two suppliers to each lot. For Lots 1 - 7, the first supplier will be the Primary Supplier (Rank One) and the second ranked Supplier will be the Contingency Supplier (Rank Two). Orders will only be placed with the Contingency Supplier should the Primary Supplier be unable to deliver. For Lots 8 - 10, no ranking will be in place, with the highest scoring suppliers awarded. Customers will be required to conduct further competition within Lots 8, 9 and 10 in order to call off from the Framework.

The opportunity can be accessed via the NEPO eTender system (Open). Suppliers wishing to be considered for this Framework Contract must register their expression of interest and

submit the selection questionnaire and tender response through the Open eTendering System. If not already registered, suppliers should register on the Open eTendering System at <https://www.open-uk.org/>

Selection Questionnaire and Tender responses must be submitted using the link above.

Selection Questionnaire and Tender responses submitted via postal or email methods will not be accepted.
