Medicines Discovery Catapult (MDC) are a national facility for collaborative R&D exploring and developing new approaches to the discovery and proof of well targeted medicines, diagnostics and biomarkers. Funded by Innovate UK, an agency of the UK government, MDC are an independent not-for-profit company bringing together a fragmented UK sector of industry, academia, charities, technologists, services, finance companies, SMEs and start-ups who together can turn good science into new, high value products. By sharing problems, rare expertise and assets we support the growth of this new community through a time of radical business and national change.

This Invitation to Tender (ITT) has been issued by MDC for the supply, delivery, installation, maintenance and support of an Electronic Laboratory Notebook (ELN) for the laboratories based at MDC at their premises at Alderley Park in Cheshire.
