Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

Defra is drafting an Application Development and Maintenance Support (ADMS) Services Strategy (Strategy) to support the significant amount of Application Development activity that will be required by its Arms-Length Bodies over the next 8 years and the procurement of an Application Maintenance Support Services Contract. In preparing the Strategy Defra is interested in the supply markets view of its Strategy, what the market can offer, etc.

This Prior Information Notice is being issued to inform any interested suppliers of a virtual Supplier briefing of the Strategy on the 15th February 2022 and further Defra will also be holding individual briefings with interested suppliers between 21st February 2022 and 25th February 2022.

This PIN will be advertised via <https://defra.bravosolution.co.uk> and also through <https://www.gov.uk/contracts-finder> . If and when it is available, suppliers are encouraged to check these sources for further information.

Suppliers registering an interest will be issued with additional information regarding the Supplier Day.

Please register interest in this opportunity via email to: darren.vicary1@defra.gov.uk using the email title "ADMS Interested Supplier."

Please include the following information in your email:

- Company name
- Company number
- Contact details including email, telephone and preferred person to contact
- A brief summary of the market you operate in, and how you position yourselves within this in relation to requirement
