Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Trivallis are an organisation that work to improve the social, cultural, environmental and economic well-being of Rhondda Cynon Taff. Trivallis need to address the long-term impact of their decisions, to work better with people, communities and each other.

It is imperative that the winning bidder can support the delivery of social value when delivering the contract. suppliers should detail the level of community benefit generation of business in the community activity they could deliver if successfully appointed.

Please also summarise below how your company could aid in improving their CSR (e.g. reducing CO2 Emissions, helping local communities).

Responses to this section will be shared with our Regeneration team within Trivallis who may contact the successful bidders to implement the principles.
