### II.1.2) Main CPV code

• 90500000 - Refuse and waste related services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

The Council currently collects approximately 18,000 tonnes of residual waste per annum and this waste is deposited at three waste transfer stations within the County of Powys. This potentially may rise to approximately 20,000 tonnes of residual waste per annum during the contract period.

The successful supplier will be required to process the Council's waste through an Energy from Waste (EFW) facility. The Contract will include the requirement to collect the Council's Waste from three Waste Transfer Stations in Powys and transport it to the EFW facility for treatment to support the Council in achieving its statutory recovery targets.

### II.1.5) Estimated total value

Value excluding VAT: £14,000,000
