I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Procurement of an Advanced Sub-Micron Bonder Nanofabrication Tool and Five Year Partnership for Additional Purchases

Reference number

RHUL-21011

II.1.2) Main CPV code

- 31710000 - Electronic equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

Royal Holloway and Bedford New College, known as Royal Holloway, University of London is tendering for the initial purchase, installation and commissioning of an advanced sub-micron bonder nanofabrication tool and a partnership to cover the next five years of any related purchases, subject to availability of funding, future developments in the technology, and pricing in line with market value. The equipment will be housed within our SuperFab nanotechnology facility within the College's School of Engineering, Physical and Mathematical Sciences.

Please download the tender documentation for further details, using the link within the Contract Notice.

Estimated value range of Initial equipment purchase = £0 - £205,000

Estimated value range of future related requirements = £0 - £300,000

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £505,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKJ25 - West Surrey

Main site or place of performance

West Surrey

II.2.4) Description of the procurement

Royal Holloway and Bedford New College, known as Royal Holloway, University of London is tendering for the initial purchase, installation and commissioning of an advanced sub-micron bonder nanofabrication tool and a partnership to cover the next five years of any related purchases, subject to availability of funding, future developments in the technology, and pricing in line with market value. The equipment will be housed within our SuperFab nanotechnology facility within the College's School of Engineering, Physical and Mathematical Sciences.
