Reference

P2299

Description

Birmingham City Council (the Council) sought to appoint an organisation to supply the Council's trade waste service with single operated vehicle containers (single ops containers).

This contract commenced on 28 10 2025 and will be in place for a period of 12 months

This procurement was a below-threshold quotation exercise.

Birmingham City Council's commercial waste service currently operates a range of specialised waste collection services that is classed as "Single Ops" (Single Operated Vehicles), these are large vehicles that have the capacity to collect large amounts of waste. The single ops containers include: Front End Loader Containers (FEL), Hooklift

(Roll on – Roll Off) Containers, Hooklift Compactors, enclosed skips and open skips. At present Birmingham City Council is in the process of replacing much of its existing stock of Single Ops containers and requires a supplier to provide these new Single Ops Containers.
