II.2.4) Description of the procurement

The London Ambulance Service NHS Trust wish to review the current market position for both transthoracic defibrillation and a multi parameter clinical monitor, which is suitable for use in the mobile out of hospital environment. We therefore would like to invite suppliers to engage with us to demonstrate their current solution along with any planned developments in technology, and timescales. The publication of this prior information notice is for

information gathering purposes only at this stage and forms pre market engagement to better understand the market. This will allow the Trust to formulate a future strategy for the replacement of its ageing defibrillator devices.

II.2.14) Additional information

Please complete the Expression of Interest (EOI) form by registering on our e-sourcing portal, downloading the EOI and returning it to us, via the portal no later than 05-03-2021. We will contact all suppliers who express an interest after the deadline date.
