#### **II.1.4) Short description**

Richmond Fellowship is seeking to appoint a maximum of one supplier to the Contract for the delivery of Mobile Data and Voice services as set out in Appendix A Specification. Currently, Richmond Fellowship requires a 4G data and voice service. However, to future-proof the Contract, the provision of 5G enabled sim cards would be beneficial. The Supplier must have an excellent level of connectivity across England. Richmond Fellowship provides most staff with a lone working application loaded onto their mobile phone. The lone working application requires a 3G Signal or greater to work effectively. Richmond Fellowship may provide some of its staff with an alternative supplier if the connectivity level is insufficient to run the lone working application. The Supplier must hold either Cyber Essentials or ISO27001 certification. It is intended that the Contract will run for a term of three (3) years
