Engagement

Engagement deadline

29 January 2026

Engagement process description

The Brooksby Campus comprises multiple buildings, including academic, residential, sports, and specialist facilities. Poor mobile signal coverage has been identified across parts of the site, impacting communications, lone worker safety, and safeguarding.

The College is testing the wider market to understand solutions and cost ranges to support future planning.

Suppliers are invited to comment at a high level on solutions capable of:

- Improving indoor mobile voice and data coverage
- Supporting multiple UK mobile networks
- Covering a rural, multi-building campus
- Being Ofcom compliant
- Being future-proofed (e.g. 5G-ready)

No final specification is issued at this stage.
