Country

United Kingdom

Region code

UKE42 - Leeds

Companies House

05167070

Internet address(es)

Main address

<https://www.northerngasnetworks.co.uk>

I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Network Boiler Refurbishment

II.1.2) Main CPV code

- 44620000 - Central-heating radiators and boilers and parts

II.1.3) Type of contract

Supplies

II.1.4) Short description

This contract relates to the continuance of NGN's boiler replacement program across the network and comprises five further sites.

The proposal to source this contract directly with this supplier is based on standardization and the benefits gained from such an approach including maintenance, commonality of spares (supply and stockholding), servicing and associated training requirements. Having

a consistent approach across the network gives efficiencies in all these areas.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber

II.2.4) Description of the procurement

This contract relates to the continuance of NGN's boiler replacement program across the network and comprises five further sites.

The proposal to source this contract directly with this supplier is based on standardization and the benefits gained from such an approach including maintenance, commonality of spares (supply and stockholding), servicing and associated training requirements. Having a consistent approach across the network gives efficiencies in all these areas.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons
- Additional deliveries by the original supplier

Explanation:

This procurement relates to the provision of commercial heating boilers at a number of NGN sites and is being sourced directly to one single supplier in accordance with UCR2016 based on the following principle (1) Utilities may use the negotiated procedure without prior call for competition in the following cases-(e) in the case of supply contracts for additional deliveries by the original supplier which are intended either as a partial replacement of supplies or installations or as the extension of existing supplies or installations, where a change of supplier would oblige the utility to acquire supplies having different technical characteristics which would result in incompatibility or disproportionate technical difficulties in operation and maintenance

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2022/S 000-029878](#)

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

4 January 2023

Section VI. Complementary information
