Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The C130J Delivery Team, part of the UK Ministry of Defence ("The Authority") intends to award a contract to Honeywell International Inc. for the construction of Air Safety Navigational Data in a form compatible with the C130J's Flight Management System. The Authority intends to award a [5] year contract with yearly review to determine onward support.

It is considered that this requirement can be placed using the negotiated procedure without prior publication of a contract notice pursuant to Article 28(1)(e) of Directive 2009/81/EC (Regulation 16/(1)(a)(ii) of the Defence and Security Public Contract Regulations 2011) for technical reasons.

This is because Honeywell International Inc. is the only supplier who have the technical capabilities, experience and knowledge required to deliver this requirement Honeywell International Inc. holds the design rights in the P2000 data translation tool. This is the only tool which allows the Air Safety Navigation Data to be constructed in a form which is compatible with the relevant Flight Management System and in a form which can be assured by the Authority
