Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Access Control System Support Services

Reference number

NUH_2021_131

II.1.2) Main CPV code

- 42961100 - Access control system

II.1.3) Type of contract

Supplies

II.1.4) Short description

All communication must be via <http://health.atamis.co.uk>

Nottingham University Hospitals NHS Trust (NUH) would like to engage with the market and understand market capability and interest in maintaining NUH's RiTA/Solicard access control system which runs on Window XP.

Due to the age of the system, it has been taken off-line and we are now operating a bespoke standalone network of PC's running the RiTA/Solicard side of our access control for site. This network was built and programmed by FSH Technical Solutions (FSHTS) and we require a support package that is able to fully support the running of the system on Windows XP and offer remote support to site via a bespoke VPN link.

NUH intends to replace the system over the next 5 years.

If no responses are received by 17:00 16th February 2022 the Authority will negotiate a long term contract of up to 5 years with the incumbent supplier, FSH Technical Solutions.

II.1.5) Estimated total value

Value excluding VAT: £120,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 42961100 - Access control system
- 42961100 - Access control system
- 42961100 - Access control system

II.2.3) Place of performance

NUTS codes

- UKF14 - Nottingham

Main site or place of performance

Nottingham University Hospitals NHS Trust

II.2.4) Description of the procurement

All communication must be via <http://health.atamis.co.uk>

The purpose of this PIN is to engage with the market and understand market capability and interest in maintaining NUH's RiTA/Solicard access control system which runs on Window XP.

Due to the age of the system, it has been taken off-line and we are now operating a bespoke standalone network of PC's running the RiTA/Solicard side of our access control for site. This network was built and programmed by FSH Technical Solutions (FSHTS) and we require a support package that is able to fully support the running of the system on Windows XP and offer remote support to site via a bespoke VPN link.

NUH intends to replace the system over the next 5 years.

If no responses are received by 17:00 16th February 2022 the Authority will negotiate a long term contract of up to 5 years with the incumbent supplier, FSH Technical Solutions.
