#### II.1.4) Short description

All communication must be via <http://health.atamis.co.uk>

Nottingham University Hospitals NHS Trust (NUH) would like to engage with the market and understand market capability and interest in maintaining NUH's RiTA/Solicard access control system which runs on Window XP.

Due to the age of the system, it has been taken off-line and we are now operating a bespoke standalone network of PC's running the RiTA/Solicard side of our access control for site. This network was built and programmed by FSH Technical Solutions (FSHTS) and we require a support package that is able to fully support the running of the system on Windows XP and offer remote support to site via a bespoke VPN link.

NUH intends to replace the system over the next 5 years.

If no responses are received by 17:00 16th February 2022 the Authority will negotiate a long term contract of up to 5 years with the incumbent supplier, FSH Technical Solutions.

#### II.1.5) Estimated total value

Value excluding VAT: £120,000
