## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.3) Additional information**

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. The Contracting Authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

In the event that public sector organisations request planning or operationalisation support for their Live Sites, this is a service that the Contracting Authority would expect the Supplier to be able to offer. Additional set rate card will be part of the tender response for information only however such service will not be covered by the Contracting Authority's contract with the Supplier.
