NEUPC recognises that some of its Member Institutions are currently, and may in the future, fall outside of the legal definition of a "body governed by public law" for the purposes of the public procurement regime. Whilst each Member Institution should take its own legal and commercial advice as to the suitability or otherwise of a framework agreement, NEUPC does not impose any additional restrictions on use of its framework agreements by such Member Institutions. This agreement will be open to members and their partners regardless of whether or not they are to be defined as contracting authorities for the purpose of the PCR 2015.

It is possible that some of the future call off contracts under this framework may be part funded from external streams, including European Union (EU) funding (eg ERDF/ESF) and potentially other research bodies. All funding assessed under this framework will be considered compliant for the purposes of external funding by the named participants.
