Police CyberAlarm

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

Her Majesty's Governments' National Cyber Security Strategy 2016-2021 vision is that the UK is secure and resilient to cyber threats, prosperous and confident in the digital world.

Following a successful pilot, NPCC (National Police Chiefs Council) Cybercrime Programme is looking to procure the next iteration of the Police CyberAlarm system which will increase the number of data types the system can handle including cloud base data points, improved functionality and usability along with the ability to commercialise aspects of the system to help support its wider rollout and sustainability. The new system will be required to include and build on the functionality within Police CyberAlarm

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems
- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UK - UNITED KINGDOM

II.2.4) Description of the procurement

Her Majesty's Government's National Cyber Security Strategy 2016 -2021 vision is that the UK is secure and resilient to cyber threats, prosperous and confident in the digital world.

Following a successful pilot, NPCC (National Police Chiefs Council) Cybercrime Programme is looking to procure the next iteration of the Police CyberAlarm system which will increase the number of data types the system can handle including cloud base data points, improved functionality and usability along with the ability to commercialise aspects of the system to help support its wider rollout and sustainability. The new system will be required to include and build on the functionality within Police CyberAlarm.

The Mayor and Commonalty and Citizens of the City of London ("City of London") is preparing to tender for the development and provision of the Police CyberAlarm system.

Colleagues from across the Cybercrime programme will be presenting on the proposed outcomes this programme is looking to achieve.

The virtual (market engagement) event is taking place on Friday 05 March 2021 at 10.30am.

If you cannot attend but would like a representative of your company to attend on your behalf, please advise who that person would be.

Please respond via the portal if you would like to attend with the name of your organisation's representative (and email address) by Wednesday 3rd March 2021 at 17:00 hrs.

II.3) Estimated date of publication of contract notice

25 February 2021

Section IV. Procedure
