For the Provision of the Healthy Child Programme (0-19 years). The Healthy Child Programme Service (0-19 years) is composed of Health Visiting (HV), School Nursing (SN), an Infant Feeding team (IF) & the Family Nurse Partnership (FNP) programme for adolescent parents. The purpose of the service is to improve health and wellbeing outcomes for all families in Solihull from pregnancy to 19, focusing on early childhood development, health, addressing issues early and working with specialist services. Mandated elements include five checks for all resident babies from 0-2 years, safeguarding work & the National Child Measurement Programme (NCMP). National guidance also recommends health checks for school-aged children and young people and the services covered in this contract are an integral component of the early help system in Solihull.
