Published 15 January 2026, 12:35pm

Scope

Description

Severn Trent Services (Water & Sewerage) Limited, t/a Severn Trent Connect (ST Connect) intends to procure works for the design and construction of a new wastewater treatment facility to serve Land northwest of Dobbs Beck, with access from North Walsham Road, Beeston St Andrew, Norfolk. The project will include:

Design and construction of the wastewater treatment facility

Discharge of all relevant planning conditions and statutory requirements

All associated civil engineering and structural works

Mechanical and electrical installations

Instrumentation, Controls & Automation (MEICA) and all associated commissioning

Associated roads, paths, and fencing

Ancillary buildings (including welfare facilities)

Security systems and fire protection systems

Compliance with environmental and regulatory standards

The procurement will be conducted under the Competitive Flexible Procedure. Tender publication is anticipated in March 2026 and contract award in August 2026.
