## **Section VI. Complementary information**

### **VI.3) Additional information**

The DSS Contractor must comply with and provide the Client with data or information as specified in the Contract Management/Monitoring Schedule as well as routine management reports on the programme as specified by the Client from time to time. As requested by the Client, the DSS Contractor may also be required to provide information in relation to particular service issues brought to the attention of the Minister or raised directly with the Client by an individual. In providing information to answer Ministerial or other cases, the DSS Contractor may have to liaise with members of its supply chain. If this is necessary the DSS Contractor must ensure that there is no delay in doing so and the target timescales are met..

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

The UK does not have any such bodies with responsibility for appeal/mediation procedures. Instead, any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015 as amended.

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

CPD complies with the Public Contracts Regulations 2015 (as amended) and incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract is communicated to tenderers. That notification provided full information on the award decision and provided time for the unsuccessful tenderers to challenge the award decision before the contract was entered into.
