These include but are not limited to Articles categorised within the 5 Lots as detailed in the Contract Notice.

Babcock Land Defence Ltd reserve the right to add further items of a similar nature to the

contract post award.

The successful contractor(s) will be required to overhaul/repair Articles to OEM specifications with an accompanying Certificate of Conformance detailing results of any applicable output tests. The successful contractor(s) will be required to supply all spares/components necessary to undertake the repair process.

Those Invited to Tender will be provided a 4 year forecast of repair requirements for each NSN. Although this is the best indication of projected upcoming demand, it is nevertheless a forecast and therefore is subject to change.

Drawings and/or associated specifications will be provided where available to issue as part of any eventual ITT.

Babcock Land Defence Ltd intends to award several single supplier framework agreements for the items detailed within this notice.

To respond to this opportunity suppliers must read through this notice and complete the associated Pre-Qualification Questionnaire (PQQ). The PQQ shall be assessed using the selection criteria given within the PQQ and within each question. It is the intention of the Authority to down select and Invite to Tender only those economic operators who successfully complete the PQQ, provide all mandatory information and are not subject to any mandatory exclusion.

Babcock Land Defence Limited have included within the PQQ a draft copy of the Invitation to Tender, but this is only for information purposes. The Invitation to Tender will be issued to those suppliers who successfully complete the PQQ.
