II.2.4) Description of the procurement

Swansea Bay University Health Board currently spends approximately 2 million GBP through Service Level Agreements with Third Sector / voluntary / community organisations to deliver a range of services and support for our population across the local authority areas of Swansea and Neath Port Talbot. Services are delivered across the Health Board footprint in the following areas:

Admission Avoidance & Discharge Support

Adult Mental Health Support Services

Cancer and Palliative Care including Children and Young People

Carers

Children and Young People

Emergency Response

General Information, Advice, Support and Counselling

Learning Disability

Lifestyle Change and Population Health

Older People's Mental Health Services and Dementia

Participation, Coproduction and Facilitation

Stroke

Substance Misuse

Violence Against Women, Domestic Abuse, Sexual Violence and Sexual Health Services

Transport

The Health Board sees the Third Sector / voluntary and community organisations as a crucial partners in both building community and

individual resilience and in delivering services differently to support people's well-being and self-care as well as providing services

contributing to the aims of the Social Services and Wellbeing (Wales) Act 2014 and the Well-being of Future Generations (Wales) Act

2015 in providing earlier interventions, more preventative services, accessing care closer to home and improving people's ability to manage

their own well-being and health.

In addition, the Health Board are further looking at how we can shape future services in line with our Clinical Services Plan and Changing

for the Future and to transfer care and services from the statutory to the voluntary sector in areas such as:

Helping patients avoid unnecessary hospital admissions

Reducing the length of time patients stay in hospital

Supporting patients waiting for operations

Developing a 7 day a week services

Reshaping adult and older people's mental health and learning disability services

We also want to ensure that we can explore commissioning in the future and these lots will also be included in the procurement;

Advocacy

Bereavement

Community Resilience

Health Inequalities

Housing

Out of Hospital Care

LGBTQ+

Safeguarding

Sustainability Agenda

In line with its Strategic Framework for the Voluntary Sector 2023-2027 the Health Board is now seeking to commence a procurement

exercise for services provided by Third Sector / voluntary and community organisations. The Framework was co-developed and

co-produced with the sector and outlines an ambitious programme of change.

Our ambition is that the Health Board and the Third Sector / voluntary and community organisations will further develop our existing

strong and effective relationships, leading to more services being delivered jointly across both local authority areas, ensuring that

partnership and funding arrangements are effective and efficient.

We would like to invite Third Sector / voluntary and community organisations who may be interested in providing any services fitting into

the lots above to the first in a series of pre-procurement market engagement events to:

Understand the intentions of the market and identify any challenges or barriers

Enable the Health Board to understand how our current service needs can be shaped and delivered by the Sector Inform the Health Board of

the current market position and possible options available
