## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Highways Asset Management and Associated Works Framework 2021-2025

Reference number

DN505004

#### **II.1.2) Main CPV code**

- 45233000 - Construction, foundation and surface works for highways, roads

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

Bristol City Council wishes to appoint a number of providers onto a framework for the provision of Highways Asset Management & Associated Works. The framework will be in place for four years with 12 lots as follows:

- Lot 1: Machine Laid Surfacing
- Lot 2: Surface Dressing and Micro Asphalts
- Lot 3: Slurry Seal and Preventative Treatments
- Lot 4: Road Markings and High Friction and Coloured Surfacing
- Lot 5: Highways and Associated Works up to £150,000
- Lot 6: Highways and Associated Works over £150,000
- Lot 7: Minor Bridge Repairs & Retaining Wall Works to Highway Structures, Value:
- Lot 8: Structural Maintenance Repairs and Reconstruction Works to Bridges & Highway Retaining Walls Structures, Works Value: £150K

- Lot 9: Maintenance Painting Works Bridges and associated Highway Structures
- Lot 10: Structural Steel Repairs and Replacement Works to Highway Structures
- Lot 11: Geotechnical and Soil Investigation Works on or adjacent to the Highway
- Lot 12: Traffic Management

Under this contract the contractors and their supply chains will be required to actively participate in the achievement of the Contracting Authority's social/economic/environmental objectives. Accordingly, contract documents may relate to social/economic/environmental considerations.

### **II.1.5) Estimated total value**

Value excluding VAT: £70,000,000

### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

## **II.2) Description**

### **II.2.1) Title**

Machine Laid Surfacing

Lot No

1

### **II.2.2) Additional CPV code(s)**

- 45233000 - Construction, foundation and surface works for highways, roads

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

## **II.2.4) Description of the procurement**

To include preparation work such as road planning and or the adjustment of ironwork.

Surfacing and or reconstruction work to be carried out using a variety of bituminous materials. The work may range from an individual site to a programme of work comprising of several sites which will be located substantially in an urban environment with constraints relating to traffic management within the City of Bristol boundary (and possibly that of other neighbouring authorities).

## **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

## **II.2.6) Estimated value**

Value excluding VAT: £4,800,000

## **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

## **II.2.10) Information about variants**

Variants will be accepted: No

## **II.2.11) Information about options**

Options: No

## **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Surface Dressing and Micro Asphalts

Lot No

2

### **II.2.2) Additional CPV code(s)**

- 44113000 - Road-construction materials

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Surface Dressing will be carried out as part of a programme of work to include several sites. A variety of aggregates and binders will be required to meet the individual characteristics of each site. Micro Asphalt will also be ordered as part of a programme of works. Sites will be substantially located in an urban environment with constraints relating to traffic management within the City of Bristol boundary (and possibly that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £3,000,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Slurry Seal and Preventative Treatments

Lot No

3

### **II.2.2) Additional CPV code(s)**

- 45233000 - Construction, foundation and surface works for highways, roads

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Work will usually be ordered as a programme of work with the majority of the work relating to footpaths, although some carriageway may be included. There may be a requirement to carry out preparation and or regulating work prior to the final installation. Sites will be substantially located in an urban environment with constraints relating to pedestrian and traffic management within the City of Bristol boundary (and possibly that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £2,000,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Road Markings and High Friction and Coloured Surfacing

Lot No

4

### **II.2.2) Additional CPV code(s)**

- 34922100 - Road markings
- 34929000 - Highway materials

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Work may be ordered per individual site, or grouped within an area or may be part of a programme to reinstate markings following surfacing work. Preparation may be required including the setting out and or the removal of existing markings. Cold applied resins to be used unless otherwise specified for high friction surfacing. In some instance sites may require limited preparation or at existing sites where the removal of existing surfacing may be required. Sites will be substantially located in an urban environment with constraints relating to traffic management within the City of Bristol boundary (and that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £700,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Highways and Associated Works up to £150,000

Lot No

5

### **II.2.2) Additional CPV code(s)**

- 45233000 - Construction, foundation and surface works for highways, roads

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

For the delivery of minor maintenance and new highway improvements using a schedule of rates as the basis including works of a similar nature off the highway.

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £16,000,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Highways and Associated Works over £150,000

Lot No

6

## **II.2.2) Additional CPV code(s)**

- 45233000 - Construction, foundation and surface works for highways, roads

## **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

## **II.2.4) Description of the procurement**

For the delivery of larger scale, complicated traffic and highway schemes, and works off highway of a similar nature.

## **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

## **II.2.6) Estimated value**

Value excluding VAT: £16,000,000

## **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

## **II.2.10) Information about variants**

Variants will be accepted: No

## **II.2.11) Information about options**

Options: No

## **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Minor Bridge Repairs & Retaining Wall Works to Highway Structures, Value:

Lot No

7

### **II.2.2) Additional CPV code(s)**

- 45000000 - Construction work

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Various types of Minor Structural and Civils repairs with some small scale reconstruction works on all associated highway structures, including bridges and highway retaining walls. Undertaking of routine structural maintenance repairs and associated civils works to all types and construction of bridges (including swing bridges), culverts, subways and retaining walls. The work will involve routine programmed structural repairs and/or some civil reconstruction work to several small highway structure sites. There will also be an element of reactive emergency damage repair works due to RTC damage, although this Work will be expected to be undertaken during normal working hours. Sites will be substantially located in an urban environment with constraints relating to simple traffic management arrangements with limited working areas within the City of Bristol boundary (and that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

## **II.2.6) Estimated value**

Value excluding VAT: £2,400,000

## **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

## **II.2.10) Information about variants**

Variants will be accepted: No

## **II.2.11) Information about options**

Options: No

## **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Structural Maintenance Repairs and Reconstruction Works to Bridges & Highway Retaining Walls Structures, Works Value: £150K

Lot No

8

### **II.2.2) Additional CPV code(s)**

- 45000000 - Construction work

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Large to medium scale Structural repairs and Civils reconstruction works on all associated highway structures, including bridges and highway retaining walls. Undertaking of routine structural maintenance and associated civils works to all types and construction on bridges (including swing bridges), culverts, subways and retaining walls. The work will involve routine programmed structural repairs and/or civil reconstruction work to several sites as well as larger scale works on discrete sites. There will also be an element of reactive emergency damage repair works due to RTC damage, although this will be expected to be undertaken during normal working hours. Sites will be substantially located in an urban environment with constraints relating to traffic management with limited working areas within the City of Bristol boundary (and that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £4,000,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Maintenance Painting Works Bridges and associated Highway Structures

Lot No

9

### **II.2.2) Additional CPV code(s)**

- 45442000 - Application work of protective coatings

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Maintenance programmed painting works to parapet railings and barriers to all highway structures. Structures to include bridges, retaining wall parapets, subway parapets, sign gantries and other ancillary highway structures. The programmed painting work to also include for the application of proprietary anti-graffiti coating systems to highway structures. The programmed work will be allocated into packages of several small sites or individually where a whole structure is to be received and complete repainting. Sites will be substantially located in an urban environment with constraints relating to traffic management with limited working areas within the City of Bristol boundary (and possibly that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £300,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Structural Steel Repairs and Replacement Works to Highway Structures

Lot No

10

### **II.2.2) Additional CPV code(s)**

- 45221000 - Construction work for bridges and tunnels, shafts and subways
- 45223000 - Structures construction work

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Structural steelwork repairs/modifications and structural component replacement plus fabrication work using various forms of welding and mechanical connection methods. Undertaking of routine programmed structural steelwork repairs/modifications or replacement to bridge and retaining wall parapet railings including repairs or replacement to life expired or corroded structural components of all types of bridges and other highway structures, including bridge expansion joint plates, decking systems etc, including a degree of offsite fabrication in within a workshop. There will also be an element of reactive emergency damage repair works due to RTC damage, although this will be expected to be undertaken during normal working hours. Sites will be substantially located in an urban environment with constraints relating to traffic management with limited working areas within the City of Bristol boundary (and that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £1,600,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Geotechnical and Soil Investigation Works on or adjacent to the Highway

Lot No

11

### **II.2.2) Additional CPV code(s)**

- 71332000 - Geotechnical engineering services

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Programmed structural geotechnical inspections, Routine programmed maintenance and associated stabilisation works to structural embankments and Cuttings as well as natural rock formations adjacent to the public highway. Work to involve routine cyclical de-vegetation and inspection of all formations and where necessary the undertaking of the required stabilisation work which may involve total or partial reconstruction, geotextiles and mesh stabilisation measures, anchoring stabilisation, or the installation of catch netting or other geotechnical control measures. Undertaking structural soil and site investigation including submitting reports. Sites will be substantially located in an urban and semi-rural

environment with constraints relating to traffic management and other ecological and historical constraints with limited working areas within the City of Bristol boundary (and possibly that of other neighbouring authorities).

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £1,400,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Traffic Management

Lot No

12

### **II.2.2) Additional CPV code(s)**

- 34923000 - Road traffic-control equipment

### **II.2.3) Place of performance**

NUTS codes

- UKK11 - Bristol, City of

### **II.2.4) Description of the procurement**

Provision of traffic management projects to facilitate road maintenance or event works.

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £240,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: No

## **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Open procedure

#### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

In the case of framework agreements, provide justification for any duration exceeding 4 years:

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.1) Previous publication concerning this procedure**

Notice number: [2020/S 252-638039](#)

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date

7 April 2021

Local time

12:00pm

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

#### **IV.2.6) Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 6 (from the date stated for receipt of tender)

#### **IV.2.7) Conditions for opening of tenders**

Date

7 April 2021

Local time

12:00pm

Place

Submissions will be unsealed electronically via the ProContract portal.

Information about authorised persons and opening procedure

Tender submissions will be unsealed by an officer of the Strategic Procurement and Supplier Relations Service in Bristol City Council.
