VI.3) Additional information

Subject to completion of our governance requirements, West Sussex County Council is looking to re-commission its drug and alcohol treatment services, both community based and residential provision (inpatient detoxification and residential rehabilitation) with a view to new services commencing May/June 2023. It is intended to provide a comprehensive, all age and integrated service model which will support individuals to make and sustain positive changes to their substance misuse. To help inform our new model of delivery, and to hear further information, individual online market engagement events are scheduled for Wednesday 2nd and Thursday 3rd March 2022. Should suitable suppliers wish to express an interest in participating, please provide the name and email address of the participants by sending a correspondence via the portal, <https://intendhost.co.uk/sesharedservices.aspx/Home>. Please do so by 24th February 2022 at the very latest. A direct email will be issued to those named participants with a link to the online market engagement event via Teams.
