Efficiency East Midlands Ltd (EEM) is a not for profit consortium which establishes and manages a range of framework and DPS agreements. Our membership has now grown to 337 public sector organisations including housing associations and ALMO's, Local Authorities, NHS trusts, Education Providers, Blue Light Services, Government Agencies and Charities. EEM have also established a formal collaboration with 3 like-minded procurement consortia- Westworks, South East Consortium and Advantage South West. The membership list for these three consortia may be obtained from the following websites addresses:

(<https://www.westworks.org.uk>)

(<https://www.southeastconsortium.org.uk>)

(<https://www.advantagesouthwest.co.uk>)

EEM are conducting this tender exercise to procure an Asbestos Survey and Removal Services Framework to replace our existing Framework which will expires in May 2024. The Framework will provide EEM Members with a provision for their Asbestos Survey, Removal and Disposal Services covering both Domestic & Commercial properties to help members deliver safe Asbestos working solution. The Framework agreement will be for a period of 48 months, running from Monday 20th May 2024 to 19th May 2028. It is expected that a maximum of 8 Contractors may be appointed onto each of the geographical sublots,

(Midlands & National) of the Framework, ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. The Framework requires EEM to cover the UK under the following sublots:

Sublot 1 Midlands

Sublot 2 National Coverage

Ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. For further in further information please visit <https://www.delta-esourcing.com/> to view the tender documents via Tenderbox access code EZ4QG22939. Contracting Authorities can use a Direct Selection or Mini Competition to appoint a Contractor and only the Contractor who sit on the relevant geographical sublots, the Contracting Authority is looking to use can participate in the selection process. further details and guidance on the lot Structure for this Framework can be located within Part A of the tender documentation.
