As the services in this procurement fall under Schedule 3 of the Public Contract Regulations 2015, this DPS will be governed by regulations 74 to 77 (the so-called Light Touch Regime), providing the Council with additional flexibility. Unlike a continuously open DPS, this DPS will operate through a series of defined windows that will open and close throughout the duration of the DPS. Further details on the additional flexibilities are detailed in the procurement documents and summarised in this notice.

The DPS will be a completely electronic system and includes three Lots:

- Lot 1 – Adult Skills
- Lot 2 – Free Courses For Jobs
- Lot 3 – Skills Bootcamps

This notice invites any organisation ('Applicant') interested in joining the Council's DPS during the initial window to submit a Request to Participate ('RTP') in stage 1 of the procurement no later than 12 noon 10th March 2025 ('RTP Return Date').

Those Applicants whose RTP meet the Council's evaluation methodology will be eligible to join the DPS as a Participant ('Participant'). Stage 2 of the procurement the Council will use a Mini-Competition process to award Call-Off Contracts(s) to Participant(s) for Service requirements under one or more of the DPS Lots.

The Council anticipate that the DPS will be chosen approach to award a Call-Off Contracts for the delivery of Adult Skills and Free Courses For Jobs funding commencing August 2025 (following devolution of the funding to Council in 2025). Subject to confirmation of funding by Department For Education the Council also intends to use this DPS to award Skills Bootcamps delivery in Cornwall from 2025/26, replacing services previously delivered in partnership with Devon County Council under the Train 4 Tomorrow initiative.

The estimated values in this notice are given in good faith as a guide and are not an undertaking on behalf of the Council to purchase Services to this or any other particular value and shall not create a binding obligation.

It provides funding for programmes of learning up to Level 2 (GCSE level equivalent) and some Level 3 qualifications for individuals aged 19-23. It does not fund all Level 3 learning as this is delivered through Free Courses for Jobs or Advanced Learner Loans, or programmes at Level 4 and above which are also funded through Advanced Learner Loans or Higher Education (HE) funding.

The devolved ASF encompasses a range of statutory entitlements for learners, including the right to fully funded provision for basic English and maths qualifications and, depending on the resident's age and employment status, an entitlement to a first Level 2 and/or Level 3 qualification for individuals aged 19-23.

The devolved ASF also includes non-formula Tailored Learning provision. The primary purpose of tailored learning is to support learners into employment and to progress to further learning, in line with the overall purpose of the ASF. It will, however, also support wider outcomes including using it to improve health and wellbeing, equip parents/carers to support their child's learning and develop stronger and more integrated communities.
