The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

The Contracting Authority is subject to a Section 20 consultation with its leaseholders and therefore consideration must be given to any feedback received. That feedback may inform the Invitation to Tender documents, which includes but is not limited to the Award Criteria, therefore the Contracting Authority has not supplied at this stage the full contract detail, however it will be sent to the shortlisted candidates.

The Contracting Authority is aware that this procurement is below Public Contract Regulations 2015 service threshold however we are carrying out a similar procurement for the cleaning of communal areas of Sheltered accommodation in parallel with this procurement, and therefore in order to comply with regulation 6.(6) we are taking the same approach towards procurement for this contract also.
