NHS Supply Chain will be assessing Sustainability and Social Value requirements as part of the upcoming tender process:

Carbon reduction Plan – All suppliers of new contracts for goods, services and works are required to publish a Carbon Reduction Plan (CRP) (PPN 06/21). This will be a pass/fail requirement at SQ stage of the upcoming tender.

Social Value Requirements – All procurements will include a minimum 10% net zero and social value weighting. Questions in the upcoming tender will form part of the Non-Financial criteria. Should the upcoming tender be identified as Medium or High risk in relation to modern slavery, a pass/fail requirement will be implemented in relation to a Modern Slavery Social Value question, with a score of 2 or above required to achieve a pass.

Evergreen Assessment – All Suppliers are required to complete an Evergreen Supplier Assessment. This will be a pass/fail requirement at SQ stage of the upcoming tender.

NHS England Supplier Roadmap – The NHS net zero supplier roadmap sets out the steps suppliers must take to align with the NHS net zero ambition between now and 2030.

Modern Slavery – All suppliers must complete and maintain an up-to-date Modern Slavery Assessment Tool (MSAT) as a minimum requirement (PPN 02/23). This will be a pass/fail requirement at SQ stage of the upcoming tender.
