II.1.4) Short description

Successful contractors will be effectively 'subcontracting' to LBS, in order to compliment operational resources to meet service demand peaks and / or specialist requirements. The works will consist of a mixture of electrical repairs, minor works and void rewires predominantly within the South and East areas of Leeds across Housing Leeds

portfolio of properties. Which could include high and low rise flats, houses, maisonettes and sheltered properties. Where similar planned or 'grouped' work is required to a number of properties, and can be carried out as an individual programme of work, Leeds City Council may be obliged to complete a separate procurement exercise / competition to establish a contractor to complete those works. Leeds City Council and LBS do not guarantee any volume of work as the scope of work is always subject to alteration dependant on demand for services Sub-contractors will be required to undertake a variety of works in isolation to individual properties, or multiple items to individual properties. ? Responsive Repairs S&E where LBS unable to deliver direct (Appx £550k pa) ? Void Rewires S&E (Appx £915k pa) ? Small / Remedial Works – Voids S&E (Appx £460k pa)

All works need to be undertaken in line with the specification provided in addition to giving consideration to the regulations of BS7671.
