Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's

economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental

considerations. The Community Benefits included in this contract are:

The Client has decided to take a non-core approach to Community Benefits , this means that the Community Benefits proposal that a

Bidder returns as part of this tender process will not be evaluated and scored but will form part of the framework at call off stage.

The Community Benefits Policy is designed to support a number of strategic priorities in other policy areas.
