Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders must comply with the undernoted financial requirements in order to participate in the tendering process: -

There is a minimum financial requirement that affects trading performance, and balance sheet strength. Financial requirements for trading performance and balance sheet

strength should be calculated on latest filed accounts with Companies House.

The undernoted requirements apply to both Lots

Trading Performance

An overall positive outcome on pre-tax profits over a 3-year period. Exceptional items can be excluded from the calculation.

The above would be expressed in the ratio Pre-Tax Profit/Turnover.

Balance Sheet strength

Net worth of the organisation must be positive at the time of evaluation and organisation must not be subject to an insolvency process.

Intangibles can be included for purposes of the Total Assets figure.

The above would be expressed in the ratio Total Assets/Total Liabilities.

If an applicant is only required to file abbreviated accounts with Companies House, then in the event of the company being successful in the procurement process, full set of accounts will be required in order to verify the above ratios have been complied with.

An applicant should have no outstanding issues, with regard to statutory filing requirements with Companies House.

Applicants who have been trading for less than the 3 years noted above must provide evidence that they are complying with the above minimum financial requirements for the period in which they have been trading.

Applicants who do not comply with the above financial requirements but are part of a Group, can provide a Parent Guarantee if the Parent company satisfies the financial requirements stipulated above.

If the pandemic has had an adverse effect on the latest set of accounts filed with Companies House, Glasgow Life will take that into account in determining financial suitability for the contract.

The above, however, should not impinge on the financial viability of the company, as defined by the ratios set out in the above financial requirements.

Glasgow Life reserves the right, at its own discretion, to seek such other information from the Bidder in accordance with Regulations 61(7) or Regulation 61 (8) of the Public

Contracts (Scotland) Regulations 2015 to prove the Bidder's economic and financial standing.

Minimum level(s) of standards possibly required

Employers (Compulsory) Liability Insurance

Bidder shall take out and maintain, throughout the period of their services, Employer's Liability insurance to the value of at least TEN MILLION POUNDS STERLING (10,000,000) in respect of any one claim and unlimited in the period.

Public Liability Insurance

Bidder shall take out and maintain, throughout the period of their services, Public Liability insurance to the value of at least FIVE MILLION POUNDS STERLING (5,000,000) in respect of any one claim and unlimited in the period.

Product Liability

Bidder shall take out and maintain, throughout the period of their services, Employer's Liability insurance to the value of at least FIVE MILLION POUNDS STERLING (5,000,000) in respect of any one claim and unlimited in the period.

Professional Indemnity Insurance

Bidder shall take out and maintain throughout the period of their services and for a further 1 year on completion of their service, Professional Indemnity insurance to the value of a minimum ONE MILLION POUNDS STERLING (1,000,000) in respect of any one claim and in the aggregate.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide three examples of similar nature services within the last five years which demonstrate they have the relevant experience required to undertake this contract. These examples should refer to at least one requirement of the Contract, such as delivery of outside catering services, catering in temporary structures or catering in addition to business as usual. Your examples should provide evidence of your capability, expertise, and experience in providing catering services. Please include:

- Names of the event, event type and operating dates;
- Number of guests;

- Number of areas serviced;
- Style of service and details regarding menu offers;
- Number of staff involved and the roles they fulfilled;
- How the overall project management of the catering services was delivered;
- Any external catering production facilities that were required;
- Details of working with any event sponsors;
- Any equipment that was hired;
- How the sustainability aims of the client were delivered, including examples of developing and implementing new 'best practices';
- Total event revenue;

This will be assessed on a pass and fail basis. Bidders who fail will not be taken forward in the evaluation process.

It is a mandatory requirement that Tendering Organisations with more than 5 employees have in place a Health and Safety Policy which is

approved at a senior level within the Organisation and is reviewed regularly. Bidders should confirm that this condition has been met

within the response to this question. Where a Bidder does not have a Health and Safety Policy and is required to do so, The Company may

exclude the Bidder from the competition.

III.2) Conditions related to the contract

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

IV.1) Description

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

The Company is committed to maximising Community Benefits from procurement activity.
This will be achieved through the inclusion of

specific clauses within procurement contracts known as Community Benefits clauses.
Community Benefit clauses are requirements which

deliver wider benefits in addition to the core purpose of a contract. These clauses can be
used to build a range of economic, social, or

environmental conditions into the delivery of contracts.

Examples of the categories and types of benefits are –

- Sponsorship of local organisation
- Mentoring – Suppliers offering support and guidance to local organisations and individuals
- Provide career night / event within local school, provide career information on the

industry to interested individuals

- Sponsorship of a local sports team or community event
- Donation of materials and / or labour to support a local community project
- Offer weekly or monthly work experience placement to a nominated school pupil or Council apprentice
- Hold a workshop or event in a school, college, or community group

Please provide a detailed statement which must include:

- a) details of the Community Benefits you will provide as part of this contract
- b) what resource (staff responsible) will you use to ensure successful delivery
- c) detailed commitment to the approach, including how you will monitor to track successful delivery of each of the Community Benefits

you wish to deliver; and

- d) how you will update the Company on progress

(SC Ref:721470)
