II.1.4) Short description

Building on the Strategy of Control Period 6, Network Rail's (NRs) Occupational Health (OH), Hygiene and Wellbeing vision, the commitment for Control Period 7 (CP7) is based on sustainable health.

NR recognise that people are the greatest asset and the key to achieving the vision of a better railway for a better Britain. NR value the diversity, skills, and contributions of employees and strive to provide a safe, healthy, and supportive work environment.

A key element of sustaining the workforce was the introduction of the NR Inhouse Occupational Health Service – the core service comprises OH technicians, OH advisers, clinical management, and governance, supported by an operational administration team. This service is delivered from twenty-two (22) of NR clinics.

NR are seeking to award additional services to support NR's inhouse OH service.

The proposed lotting structure is as follows:

Lot 1: Occupational Health Physician Services, Occupational Health Service for the Occupational Health Services and Occupational Therapy Workplace Assessments & Neurodiversity Assessments.

Lot 2: Specialist Referrals

The purpose of this notice is to inform the Supply Chain that Network Rail intends to approach the market early March. The PQQ will be linked to the opportunity listing within

BravoNR, once ready to publish.

Network Rail are not liable for any costs, fees, or expenses incurred by any party in replying to the tender event.
