II.2.4) Description of the procurement

ECC are engaging with the market to shape the replacement of the current Medium-Term Waste Disposal Framework. The Authority is keen to discuss with the market all options to treat or dispose of up to 340,000 tonnes residual waste pa. This may include the disposal and/or treatment of residual wastes.

ECC would like to explore opportunities within the market at this time to ensure we are able to procure services that will give value for money for the Essex tax payer. We are looking to engage with suppliers who have the ability to deliver all or part of the services that are currently managed under our 'Medium Term Waste Disposal Framework' in order to innovate and shape the future of waste disposal for ECC's waste.

ECC are looking to speak to suppliers with the capability in the following areas: RDF, MSW and Bulky Waste Disposal, Landfill Operators, Waste to Energy Operators, Waste Treatment Operators.
