Collaboration

The Relevant Authority is keen to promote opportunities for partnership working between providers of healthcare services, recognising the contribution that all providers can bring to delivery of this service.

To achieve this, it is envisaged that some providers may wish to collaborate in order to ensure that the healthcare needs and the requirements of the services and the Relevant Authority are met.

As such, we would like to offer the opportunity to facilitate the sharing of contact details for

providers who may wish to adopt this approach.

Those providers who wish for their contact details to be shared are asked to send a message including their contact details via the e-Tendering system and NECS will facilitate the sharing of these details - Providers are responsible for ensuring the accuracy of their contact details issued.
