## **PP-10183b Hornchurch Academy Trust Construction, Infrastructure, Building Works, Installations and Renewables Open Framework**

HORNCHURCH ACADEMY TRUST

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-003671

Procurement identifier (OCID): ocds-h6vhtk-060719

Published 15 January 2026, 9:33pm

### **Scope**

### **Reference**

PP-10183b

### **Description**

This Invitation to Tender (“ITT”) has been issued by Place Group Limited as Procurement Agent of Hornchurch Academy Trust (“the Client”). You are invited by the Client to tender for a position on an Open Framework for the provision of various Construction, Infrastructure, Building Works, Installations and Renewables requirements in accordance with this ITT, including the following categories:

- a. Category 1; Renewables
- b. Category 2: Construction and Infrastructure
- c. Category 3: Building Works, Installations, Repairs and Improvements

d. Category 4: Modular Buildings

e. Category 5: MUGAs and Sports Facilities

f. Category 6: Project Management and Building and Construction Consultancy

The Open Framework will act as a scheme of frameworks that provides for the award of successive frameworks on substantially the same terms. The first framework shall be for a period of 2 years, with each successive framework being for a period of 3 years, with the final framework expiring at the end of the period of eight years beginning with the day on which the first framework under the scheme is awarded.

The estimated contract value for this framework over the full potential 8-year period of the open framework is £830,000,000 excluding VAT / £996,000,000 including VAT.

The framework shall include both mini-competition and direct award without further competition options for undertaking call-offs, as further detailed in the specification and tender documentation.

A Framework Levy is to be paid by the Supplier, calculated as a fixed percentage of the contract value for the initial term of each Call-Off Contract (prior to any deductions and exclusive of VAT), with the applicable fixed percentage being determined by the contract value (ranging from 5% to 0.35% dependent on contract value in line with the tender documentation).

The anticipated number of Suppliers to be appointed to each category can be found in the ITT documentation.

Further information on the framework and its method of operation can be found in the attachments to this ITT, which can be accessed under project reference PP-10183b via the In-Tend portal at <https://in-tendhost.co.uk/placegroup/>

## **Commercial tool**

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.

### **Total value (estimated)**

- £830,000,000 excluding VAT
- £996,000,000 including VAT

Above the relevant threshold

### **Contract dates (estimated)**

- 1 June 2026 to 31 May 2028
- Possible extension to 1 June 2029
- 3 years, 1 day

Description of possible extension:

The extension date is to the maximum length of the first framework in the Open Framework scheme in accordance with the Procurement Act if the open framework was not re-opened after 2 years or if the reopening becomes delayed. However, the intention is that the first framework shall be for a period of 2 years, with each successive framework being for a period of 3 years, with the final framework expiring at the end of the period of eight years beginning with the day on which the first framework under the scheme is awarded.
