General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

ID 5674399 - DAERA - NIEA - MULTIPARAMETER SONDES FOR HIGH RESOLUTION MONITORING OF LOUGH NEAGH INFLOWS

Reference number

5674399

II.1.2) Main CPV code

- 90732920 - Phosphates pollution assessment

II.1.3) Type of contract

Services

II.1.4) Short description

The Buyer requires seven Multiparameter Sondes for the high-resolution monitoring of the main Lough Neagh inflow and outflow rivers as part of a larger commissioned E and I project. The Supplier must also deliver the equipment prior to 31st March 2025. Warranty must also be provided, and further details are detailed with the document titled "ID 5674399 Specification". This competition is being managed in accordance with the Public Contracts Regulations 2015 (as amended) and run using the Accelerated Open procedure. This is due to the urgent nature and the overarching DAERA-AFBI project which is expected to commence 2025. The aim of selecting this procedure is to ensure the items are delivered before the end of the financial year to allow the DAERA-AFBI Lough Neagh project to commence.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £140,396

II.2) Description

II.2.2) Additional CPV code(s)

- 24313200 - Phosphinates, phosphonates, phosphates and polyphosphates
- 90732900 - Nitrates and phosphates pollution assessment
- 90740000 - Pollutants tracking and monitoring and rehabilitation services
- 03000000 - Agricultural, farming, fishing, forestry and related products
- 32440000 - Telemetry and terminal equipment
- 32441000 - Telemetry equipment
- 35125100 - Sensors
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 90700000 - Environmental services

II.2.3) Place of performance

NUTS codes

- UKN - Northern Ireland

II.2.4) Description of the procurement

The Buyer requires seven Multiparameter Sondes for the high-resolution monitoring of the main Lough Neagh inflow and outflow rivers as part of a larger commissioned E and I project. The Supplier must also deliver the equipment prior to 31st March 2025. Warranty must also be provided, and further details are detailed with the document titled "ID 5674399 Specification". This competition is being managed in accordance with the Public Contracts Regulations 2015 (as amended) and run using the Accelerated Open procedure. This is due to the urgent nature and the overarching DAERA-AFBI project which is expected to commence 2025. The aim of selecting this procedure is to ensure the items are delivered before the end of the financial year to allow the DAERA-AFBI Lough Neagh project to commence.

II.2.5) Award criteria

Quality criterion - Name: AC1 Compliance with the Specification Schedule / Weighting: 0

Quality criterion - Name: AC2 Provision of a Technical Brochure and/or Supporting Technical Documentation / Weighting: 0

Quality criterion - Name: AC3 Supply and Quality Control / Weighting: 10

Cost criterion - Name: AC4 Total Cost / Weighting: 90

II.2.11) Information about options

Options: Yes

Description of options

Option to extend for a further two one-year periods.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Option to extend for a further two one-year periods.

Yes

V.2.4) Information on value of contract/lot (excluding VAT)

Initial estimated total value of the contract/lot: £140,396

Total value of the contract/lot: £140,396

Section VI. Complementary information

VI.3) Additional information

Contract Monitoring. The successful Supplier's performance on the contract will be regularly monitored in line with the tender documentation. Supplier's not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a Supplier fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in CPD for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a Notice of Unsatisfactory Performance and the contract may be terminated. The issue of a Notice of Unsatisfactory Performance can result in the Supplier being excluded from all procurement competitions being undertaken by Centres of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy for a period of three years from the date of issue.

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any such bodies with responsibility for appeal/mediation procedures. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015 as amended.

UK

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

CPD complied with the Public Contracts Regulations 2015 and incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract was communicated to tenderers. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to challenge the award decision before the contract was entered into.
