Wales

II.2.4) Description of the procurement

Natural Resources Wales (NRW) is seeking to engage with the market to explore potential solutions for a Fleet Management System and Vehicle Booking System. This Pre-Market Engagement (PME) exercise aims to gather insights from suppliers on available technologies, capabilities, and innovations that can support our future procurement strategy.

Suppliers are invited to participate by completing a supplier questionnaire by 3rd March 2025, which will help us understand market capabilities, key considerations, and potential approaches. To support this engagement, we have prepared a PME information pack, which provides further details on our requirements, objectives, and scope of the procurement. This pack can be downloaded via

https://www.sell2wales.gov.wales/Search/Search_Switch.aspx?ID=147735

II.2.14) Additional information

We will be hosting a supplier briefing session via Teams on 13th February, providing an opportunity for suppliers to learn more about the requirement and ask any questions.

In addition to the questionnaire, we also welcome one-to-one discussions with suppliers who wish to provide further insights or discuss their solutions in more detail.

II.3) Estimated date of publication of contract notice

30 May 2025

Section IV. Procedure
