Leicester City Council shall be undertaking the procurement on behalf of its partners under formal partnership and joint working agreements with the above-named organisations. The LLR local authorities shall manage their own separate contracts with the successful provider(s).

The listed partners are seeking innovative community based services in Leicester, Leicestershire and Rutland to help individuals with mental health needs to build resilience, stay well and live full lives. Provider(s) will use a range of methods (individual, face-to-face, online and groups) to deliver advice and assist individuals to access community based mental health services and wrap around services such as welfare rights, housing, employment and volunteering opportunities. Using flexible, responsive and short term packages of support, provider(s) shall help individuals meet their personal outcomes to transition to independent living in the community.

The services will need to closely align with Integrated Neighbourhood Teams (INT's) and the wider local mental health and social care system by developing effective working relationships and pathways into existing services and contributing to Multi-Disciplinary Team (MDT) meetings and solutions for individuals accessing support.

The services have been divided into geographical Lots and tenderers are invited to bid for all or any of the following Lots:
