Description

This contract will deliver training for circa 2,000 EA staff that in their operational delivery capacity require additional 4x4 driver and trailer towing training. Either because they are assessed as being high risk or they use specialist vehicles and/or tow trailers in their role.

EA employees use our fleet of 4x4 vehicles and trailers to gain access to remote locations and to move equipment, materials, or livestock to locations where they carry out their work.

Lot Lot 1. Lot 1 - On Road Trailer towing

Description

The training is required to meet EA departmental driving policies and legislative requirements including Health & Safety at Work Act 1974 (HSAW), The Road Traffic Act 1988, and The Highway Code.

Lot Lot 2. Lot 2 - Off Road 4x4 Driving and Trailer Towing

Description

Competent, safe, and fully trained to a professional standard.

- Trained to a consistent standard to support the flexibility we need to move resources around the country (mutual aid) for incident response.
 - Confident to operate the 4x4 vehicles and tow equipment that is high value.
-

Lot Lot 3. Lot 3 - Security of Loads on Vehicles

Description

The successful Tenderer(s) must work with us to deliver more sustainable services under this contract. These requirements reflect the aspirations of our sustainability policy and the commitment to reach net zero.

The successful Tenderer(s) must always support the client in delivering eMission2030.
