II.2.4) Description of the procurement

We are seeking a provider to provide high-level care & support service in a new purpose-built

accommodation for people with learning disabilities and or autism and mental health needs who are to be discharged from inpatient settings. The property is located in Redhill, Surrey.

The property comprises of 6 x1-bedroomed flats to provide good quality homes, as well as communal training kitchen and training room to help individuals develop life skills whilst maintaining privacy of their own home if required.

It has been designed to facilitate step down / move on to the community. Some of the individuals may be discharged from low – medium secure settings, some of whom will also

have Ministry of Justice orders or other restrictions placed on them under the Mental Health

Act.

Where required, individuals will need to be supported to manage the restrictions placed on

them and risk to themselves and others in a community setting, the service provider will support them with independence skills to maintain community living.

The individuals are likely be placed under S117 of the Mental Health Act for aftercare. It is expected that the provider will have the relevant level of knowledge and expertise to manage

those with learning disabilities and / or autism, mental health, including those with forensic histories.

We are looking for a forward-thinking innovative organisation who will develop and provide a

service that is able to integrate and work effectively with community services to create wrap

around support, working together to provide the best opportunity for successful community

rehabilitation and reduction of the risk of reoffending.
