Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

As part of their tender response, bidders are asked to submit a Method Statement in the form of a Community Benefits Plan setting out how they will deliver 'Community Benefits' through the contract.

Submission of a Non-Core CB proposal along with the tender documents will be a condition of a compliant bid.

The Community Benefits Method Statement will not be evaluated and scored as part of the tender process, however contractual clauses will set out specific targets for delivery to be agreed during the lifetime of the framework.
