Section II: Object

II.1) Scope of the procurement

II.1.1) Title

County Transport Model

II.1.2) Main CPV code

- 72314000 - Data collection and collation services

II.1.3) Type of contract

Services

II.1.4) Short description

Surrey County Council (SCC) is in the process of updating its County Strategic Transport Model and is looking to appoint a provider of the Origin Destination (OD) movement data based on Mobile Network Data (MND) analysis.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £85,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

SCC is requesting proposals for the provision of Origin Destination data using cellular mobile data, as detailed within this document. The proposal should, as a minimum, include the following:

? Provider's experience in handling similar projects, highlighting any unique challenges and how they were addressed.

? Overview of the provider's methodology for collecting and analysing mobile network data, ensuring that the data is accurate, reliable, and suitable for SCC's needs.

?

Confirmation that the spatial and segmentation requirements outlined in this document can be met, with any limitations clearly identified.

?

A statement on the quality and coverage of the network data to be provided.

?

Confirmation of the data verification process to be undertaken, including expected limits and tolerances. These are expected to be in line with Department for Transport recommendations and guidance set out in Table 2 of TAG Unit M2.2.

?

The cost of data provision, including any contingencies.

?

Potential risks and mitigation.

?

Consideration of data privacy.

? Outline of the support available after data provision.
