Kirklees Council, in conjunction with the Greater Huddersfield Clinical Commissioning Group and North Kirklees Clinical Commissioning Group, has established a Dynamic Purchasing

System (DPS) for the provision of domiciliary care services.

The purpose of the procurement exercise is to seek and appoint providers to the DPS, who have the relevant skills and experience, for the delivery of personal care and support (domiciliary care) in service users homes. Kirklees Council and the CCG's have established a DPS to be able to access additional capacity in the market and be able to purchase services to support people to live

successfully in their own homes with an appropriate range of person centred services and to enable Service Users receiving care to lead a good quality of life, maximising their independence, remain safe and comfortable in their own homes for as long as possible whilst maintaining their individual dignity, privacy and freedom of choice.
