II.1.4) Short description

The Metropolitan Police Service (MPS) would like to undertake market engagement with Commercial Fuel providers and Forecourt Operators to establish supply interest and obtain an understanding of supply capability to meet MPS fuel and storage requirements.

The purpose of this PIN is to establish the measure of interest in the market and conduct soft market engagement for the intended goods and services (Bulk Fuel requirements) to help inform a subsequent procurement exercise.

The MPS may at its sole discretion enter into discussions with respondents through this PIN.

Information provided will be used to inform the MPS in its continued development of delivery and procurement strategies for any future contracts that follow on from this PIN. A PIN overview document is available to view which contains further information on the engagement requirements.

Suppliers wishing to participate in this early market engagement exercise and view all/any associated documents are invited to register their interest via the following link
