## Scope

## Description

The Science Museum Group (SMG) wishes to appoint a supplier to deliver project management qualification courses for staff in its Masterplan department. The Masterplan department delivers transformative projects across the Group's different sites, including new galleries, visitor experiences and architectural and public realm interventions. It also delivers a programme of capital investment projects across the Group's estates. The department is looking to provide project-specific training for staff to support their continued development and success. Kindly find the details outlined in the ITQ document.

\*\*Please note that the supplier must be an APM accredited.
