Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Non financial support for a community project

This support relates to Community Engagement that does not have a monetary value.

Typically the benefits of this output may include: improved capacity and capability, transfer of technical knowledge, upskilling, changes in attitude or enhancement of physical areas.

Where volunteer time is being provided this must equate to a minimum of 3 days.

"Non-financial support for a community project may include but is not restricted to delivery of the following:

Community Engagement Events

Community facilities and hardware investment (i.e. Digital Inclusion)

Regeneration projects involving Community groups, tenants associations and local stakeholders.

Awareness and Training of Community Groups.

Professional advice to communities

Considerate Contractors

Enhancing health and wellbeing in community

Fuel poverty initiatives

Volunteering opportunities for a minimum of 3 days

Community Engagement must be evidenced by:

Report from the supplier and the Community Group of the benefits realised as a result of the intervention received.

Supporting Case Study

"
